Description:

Ex Detective Sergeant Ben Hood, now a VIP protection operative, finds himself the target of a twisted serial killer when he is sent to protect Far North Australian Socialite, Merinda Jerome. Bodies and body parts are turning up in the deadly and ghostly caverns of Black Mountain. A graveyard is robbed. The killer seems to be two totally different identities. Perhaps he is white, or perhaps black. He is always one step ahead of Police and always too close for comfort. He uses a variety of unusual killing techniques. The man hunt is on, but who is hunting who?
