Description:

Book Description

Duncan has found his true bond, the lovely leprechaun Moira. But something is missing from their relationship, something that prevents him from making Moira his forever. Moira knows what it is: Jaden, Duncan's bond brother. Without him, both she and Duncan could be suffering from potentially devastating mate sickness.

Jaden is both heartbroken and elated that the two people he loves most in the world are together. When trouble in the Malmayne clan forces him back into their lives, their rare tribond explodes in pleasure. But the price of their love could be a fatal shift in power...

About the Author

Dana Marie Bell has lived mostly in the Northeast with a brief stint on the island of St. Croix. She lives with her husband, their two maniacal children, an evil, ice-cream stealing cat and a bull terrier that thinks it's a Pekinese. (Yes, dogs and cats can live together without someone winding up lunch...like the poor human who stuck them in the same house.) You can learn more about Dana at www.danamariebell.com. Noble Blood is Dana's sixth published title.
