Description:

Review

"This is one of the best sports history books you will read. It's the story of a remarkable man and a fascinating time. Bart Starr and the Green Bay Packers led the way in the 1960s when pro football became America's favorite sport. But this is much more than a football story. Bart Starr is a great man who has handled adversity, triumph, and tragedy with unique dignity. Bart's story has a lot to teach us about life. You will enjoy spending time with this well-crafted book and getting to know Bart Starr in a whole new way." --NFL Commissioner Roger Goodell

"The Green Bay Packers - a formative fable of the the National Football League - would not have

been possible without Bart Starr. But Keith Dunnavant has done more than restore the quarterback's place in the sport's history. This biography isn't merely definitive. It's an ode to stoicism, modesty and discipline - the virtues that made the Packers' dynasty." --Mark Kriegel, *New York Times* bestselling author of *Namath* and *Pistol*

"Keith Dunnavant's bold, stirring biography argues that Bart Starr is the NFL's greatest quarterback ever. Allowing no room for debate, Dunnavant shows that Starr was the indispensable man in the creation of the Green Bay Packers dynasty." -- Dave Kindred, author of *Morning Madness: Inside the Washington Post*

"Dunnavant has written an absolute masterpiece. This is both a compelling and riveting tale of one of the nicest men who ever played the game, and also one of the most important and influential. Even though I have known Bart more than 20 years, having interviewed him countless times, I learned something new on nearly every page. Hands down, the best sports book of the year. It may be the best sports book I have read in many years." --Paul Finebaum, Radio Talk Show Host

"In *America's Quarterback*, Keith Dunnavant perfectly captures the essence and the understated elegance of the icon that is Bart Starr. But Dunnavant gives us much, much more. Through painstaking research and intimate detail, which are the hallmark of his books, Dunnavant gives us the uniquely American story of how a man, through the sheer force of his will and his dedication to excellence, rises from modest circumstances to reach the top of his profession. We learn that Starr has lived his life the same way that he played football: with a quiet dignity that allows him to survive and prevail when faced with both the good and the bad. If you liked *When Pride Still Mattered*, the great biography of Vince Lombardi by David Maraniss, you must read *America's Quarterback*. Dunnavant has another winner!" --Tony Barnhart, CBS Sports

"*America's Quarterback* is a well-researched, deeply personal account of a college and NFL icon. Luckily for us Keith Dunnavant chose Bart Starr as a subject. This is a fascinating read." --Dennis Dodd, CBSSports.com

"Keith Dunnavant is one of the most gifted writers and researchers in American book-writing. He brings depth and clarity to Bart Starr the same way he did with Bear Bryant in *Coach*. I love this book and will proudly display it next to Coach Bryant." --Jim Dent, author of *Courage Beyond The Game*

About the Author

KEITH DUNNAVANT is the author of four critically acclaimed books. He has been one of the leading college football writers, an award-winning magazine journalist and lives near Atlanta.
