Description:

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving.

This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!
