Description:

New York Times Best Seller
A Skimm Reads Pick

From the best-selling author of *Americanah* and *We Should All Be Feminists* comes a powerful new statement about feminism today--written as a letter to a friend.

A few years ago, Chimamanda Ngozi Adichie received a letter from a dear friend from childhood, asking her how to raise her baby girl as a feminist. *Dear Ijeawele* is Adichie's letter of response.

Here are fifteen invaluable suggestions--compelling, direct, wryly funny, and perceptive--for how to empower a daughter to become a strong, independent woman. From encouraging her to choose a helicopter, and not only a doll, as a toy if she so desires; having open conversations with her about clothes, makeup, and sexuality; debunking the myth that women are somehow biologically arranged to be in the kitchen making dinner, and that men can "allow" women to have full careers, *Dear Ijeawele* goes right to the heart of sexual politics in the twenty-first century. It will start a new and urgently needed conversation about what it really means to be a woman today.
