Description:

Future's research-based, comprehensive curriculum empowers learners with the academic, workplace, and media literacy skills they need to get ahead.

- **Future prepares students with 21st century skills**, helping them transition to further education or career training.
- Student book with **Interactive Practice Plus CD-ROM** enables learners to persist by providing multiple pathways to learning.
- Built-in **multilevel instruction** ensures the success of every student.

The **Practice Plus CD-ROM** included with the Student Book is an extraordinary tool for individualizing instruction. It allows students to direct their own learning, working on precisely what they need and practicing what they choose to work on as many times as they like. In addition, the CD-ROM provides all the audio files for the book, enabling students to listen as they wish to any of the material that accompanies the text.

Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.
