**From the Publisher Who We Are**

At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large.

### **What We Do**

- \* We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages.
- \* We are relentless in finding the special, the unique and the different for travellers wherever they are.
- \* When we update our guidebooks, we check every listing, in person, every time.
- \* We always offer the trusted filter for those who are curious, open minded and independent.
- \* We challenge our growing community of travellers; leading debate and discussion about travel and the world.
- \* We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive.

### **What We Believe**

We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
