#### **Description:**

Reentering the rigors of academic life is a monumental decision for any LPN or LVN returning to school, involving both personal and financial investment. This book serves as a guide to assist

readers in successfully balancing career, school, and personal life while pursuing educational and professional goals. It leads the reader through a series of interactive exercises and develops a Personal Education Plan. The text supports the reader during this important transition, taking into consideration individual experience, needs, and degree program.
