Description:

The book is fully updated for the post Jan11, 2016 PMP® Exam.

Gain knowledge and confidence to pass the exam by utilizing over 1,000 sample questions with

detailed solutions explaining why the best answer is best and the wrong answers are wrong.

To learn to ride a bike, a person must ride a bike. To learn to pass the PMP® Exam, a person must practice with hundreds and hundreds of sample questions. PMP® Exam Simplified provides hundreds of sample questions with detailed solutions explaining why the best answer is best and the wrong answers are wrong.

The book is organized by process group and not by knowledge area. Many people find the practice of thinking in terms of process groups and not knowledge areas much more useful in understanding project management as well as passing the exam.

Features of each section include:

- Tells you what section of the PMBOK® Guide to read,
 - Contains a summary of the most important ideas from the PMBOK® Guide
 - Lists exam tips in generic and specific terms(several hundred exam tips in total)
- Includes a group of sample questions that pertain to that particular section of the PMBOK® Guide. Provides detailed solutions for each sample question, including a reference, a description of why the best answer is best and descriptions of why each of the wrong answers are wrong.

Other Sections of the book include:

- Summary tests are dispersed throughout the book.
- One complete sample exam, with details explanations of the right and wrong answers
list of key names to recognize for the exam
- exam question strategy with focus on tool and technique type questions
