### **Understand the changing dynamics of the U.S. population**

Understanding race and ethnic relations is essential to understanding the United States - where we've been as well as where we're going. Throughout the fourteenth edition of *Racial and Ethnic Groups*, author Richard T. Schaefer helps students view race and ethnic relations in a socio-historical context, so they can understand the past and best shape the future.

The text's student-friendly framework is packed with engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. Incorporating the latest statistics and data, *Racial and Ethnic Groups* enables educators to stay current in this ever-changing area of study.

### **Also available with MySocLab**
