## **Simple ways to strengthen any relationship**

With more than 10 million copies sold, *The 5 Love Languages*® continues to transform relationships worldwide. And though originally written for married couples, its concepts have proven applicable to families, friends, and even coworkers.

The premise is simple: Each person gives and receives love in a certain language, and speaking it will strengthen that relationship. For singles, that means you can:

- Understand yourself and others better
  - Grow closer to family, friends, and others you care about
  - Gain courage to express your emotions and affection
  - Discover the missing ingredient in past relationships
  - Date more successfully
- and more*

Whether you want to be closer to your parents, reach out more to your friends, or give dating another try, *The 5 Love Languages*®: *Singles Edition* will give you the confidence you need to connect with others in a meaningful way.

*"Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively."* — Gary Chapman

**Includes a quiz to help you learn your love language, plus a section on the pros and cons of online dating.**
