Description:

There's a lot a young man in the making needs to succeed as he grows up and prepares to make his way in the world. Many important skills and character traits he should acquire he might not be quick to ask how to do because, well then, people would know he doesn't know what he is doing, just yet. For all the guys out there who want to have it all together, Jonathan Catherman offers this collection of one hundred step-by-step instructions on almost everything a guy needs to know, including how to; wear cologne correctly · grill a steak · tie a tie · manage money · talk to a girl · plan a date · write a résumé · ask for a reference · clean a bathroom · throw darts · change a tire · behave during a traffic stop · fold a shirt · clear a sink drain · find a stud in a wall. In fact, if it's in here, it's an important skill or character trait practiced by capable and confident men. With great illustrations and supporting social media, this all-in-one reference tool is the perfect gift for any guy's birthday, graduation, or just because you care that he becomes the best of men.
