Description:

Nothing has gone according to plan.

To Captain Lee Harden, Project Hometown feels like a distant dream and the completion of his mission seems unattainable. Wounded and weaponless, he has stumbled upon a group of survivors that seems willing to help. But a tragedy in the group causes a deep rift to come to light and forces him into action. In the chaos of the world outside, Lee is pursued by a new threat: someone who will stop at nothing to get what he has.

The Remaining: Aftermath is the second book in the best-selling The Remaining series.
