Description:

Helping readers become aware of the strong impact that one's attitude has on every aspect of life, this highly regarded primer in the field of business human relations empowers readers of all backgrounds to play their human-relations roles with greater understanding and sensitivity. Fully updated and fresh with new material, it teaches readers that people who balance their technical skills with human-relations competencies find greater on-the-job happiness, contribute more to the productivity of organizations, and, in general, have more successful careers and satisfying lives. A well balanced mix of human-relation competencies to understanding oneself, relationships with others, career, and expanding ones assets. For individuals of all

ages and backgrounds seeking self-improvement in their human-relation roles.
