### Description:

A new toddler title charts a crucial achievement. There comes a point in a toddler's life when going in one's diaper is only one possible option, and the question must be raised: "Should I go in my potty?"

With pitch-perfect humor and pacing, Leslie Patricelli follows the inner dialogue (sure to have little ones shouting responses) and hilarious actions of everyone's favorite Baby, winding up with an over-the-top look of surprise and delight that will have both parents and offspring laughing out loud--"I did it!"
