Social Issues in Sport

Social Issues in Sport, Third Edition, explores common questions and issues about sport and its relationship to society through various sociological and cultural lenses. This applied edition contains practical applications and features the framework of the previous editions to provide social theories through which students may examine real-world issues. Fully updated to reflect the latest developments in the field, this new edition includes the following enhancements:

- New "Applying Social Theory" activities in each chapter that foster understanding of social theories that govern the subject area
 - Updated "Activity Time-Out," "Expert's View," "Pop Culture," and "On the Scene" sidebars that offer a contemporary context in which students can apply the concepts in the text
 - Increased emphasis on emerging issues such as sport for development and peace as well as the growing role of electronic media
 - Updated instructor materials that provide solutions to lecture preparation and give instructors new ways to engage students and reinforce concepts found throughout the text
- Social Issues in Sport, Third Edition, provides the foundation for examining the multifaceted nature of sport and physical activity in society and for making them from a critical perspective. Through the thorough examination of social issues, students will be able to understand and appreciate the development of sport as part and parcel of the development of society.

Description:

Social Issues in Sport, Third Edition, explores common questions and issues about sport and its relation to society through various sociological and cultural lenses. Author Ronald Woods draws on a lifetime in sport as a participant, observer, fan, teacher, coach, administrator, and critic to explore historical perspectives and complex relationships that have emerged between sport and our modern society. The text's engaging writing style, full-color design, and ample learning tools keep students engaged.

Social Issues in Sport, Third Edition, remains grounded in practical application and follows the framework of the previous editions to provide social theories through which students may examine real-world issues. Updated statistical information allows students to analyze trends in participation, popularity, gender, race, and class as they relate to sport. The third edition also features the following enhancements:

- New “Applying Social Theory” activities in each chapter that foster an understanding of social theories that ground the subject area
- Updated “Activity Time-Out,” “Expert’s View,” “Pop Culture,” and “In the Arena With . . .” sidebars that offer a contemporary context to which students can apply the concepts in the text
- Increased emphasis on emerging issues such as sport for development and peace as well as the growing role of electronic media
- Updated instructor ancillaries that provide assistance in lecture preparation and give instructors new ways to engage students and reinforce concepts found throughout the text

Social Issues in Sport, Third Edition, is divided into four parts, maintaining the student-friendly format and accessibility of previous editions. Part I presents the framework for study through defining terms and presenting six crucial social theories that are used throughout the rest of the text. Part II addresses various forms of participation in sport, from spectator to participant, recreational to professional, and explores sport marketing and commercialization, as well as the close relationship between sport and media. In part III, the role of sport programs and player development, from youth to intercollegiate, as well as the crucial role of sport coach and its many responsibilities. Part IV delves into sport and culture, focusing on social classifications and their powerful effects on sport participation.

Ancillary materials are available to aid instructors using this text in the classroom. An updated instructor guide includes chapter summaries, student objectives, chapter outlines, and additional student activities. A test package, chapter quizzes, and presentation package provide instructors with support for lecture preparation and tools to ensure that students remain engaged.

Social Issues in Sport, Third Edition, provides the foundations for examining the multifaceted roles of sport and physical activity in society and for studying sport from a critical perspective. The information and many activities used throughout the text invite students to understand and evaluate the sociocultural issues raised by sport and relate these themes to their own lives. Through this in-depth examination of sociocultural issues, students will be able to understand and appreciate the development of sport as a part and reflection of the development of society.
