Description:

Review "It would take too long to enumerate even half of the marvelous touches by which the creatures miscalled dumb are made to live for us by Rudyard Kipling . . . The saddest words of this volume are those with which he closes, 'And this is the last of the Mowgli stories!' " --*Vogue* --This text refers to an alternate edition.

About the Author Joseph Rudyard Kipling (30 December 1865 - 18 January 1936) was an English short-story writer, poet, and novelist chiefly remembered for his tales and poems of British soldiers in India, and his tales for children. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to England when he was five years old. --This text refers to an alternate edition.
